

# RECORD BOOK REFERENCE: PART 6

## Financial Summary:

- \* Read the directions to ensure the that numbers are pulled from the correct page and that you follow all formulas listed.
- \* Check your totals on each individual page before transferring the page total to the summary page.
- \* Ensure you are using the grand total number and not an individual column total.
- \* Double check the calculations on the summary page to verify correct summation and subtraction.

## Market Animal Performance:

- \* This section is only for market animals and does not apply to breeding projects.
- \* This page has different requirements for each age division so read carefully. Add additional pages for each animal or species as necessary. Regardless of project requirements, this is good information to gather to track your rate of gain and cost of investment for each project.
- \* Each animal in the project must have a minimum of a beginning and ending weight.
- \* Label each animal correctly and consistently with the rest of the record book pages.

Example of how to complete the worksheet page.
