DIVISION C - DOG

NOTE: Dog record books will be due to the Dog Superintendent by 9:30 a.m. Tuesday of fair.

Fair officials and/or staff can and will dismiss any entrant or their families from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes “mistreatment”, fair officials will meet to decide appropriate action in each case. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official will result in disqualification and awards forfeited.

****All Dog exhibitors are invited to participate in a mini-agility exhibition following the Dog Show.****

RULES:

Exhibitor Eligibility Rules

1. The member must own the project dog individually or in partnership with immediate family members or guardians during the complete duration of the project year. The member must provide the majority of care for the dog(s). Entrants will be encouraged to use the Animal Care and Housing form for Colorado 4-H Livestock Projects.
 2. Each exhibitor may exhibit a different dog in obedience, showmanship and rally. A member may be entered in multiple Obedience or Rally classes with different dogs, but each member may only enter Showmanship one time.
 3. All exhibitors are encouraged to enter Showmanship and Records in addition to the appropriate Obedience class, since all scores will be combined to determine Show Champions.
 4. **Each exhibitor is required to complete the *State Dog Identification in 4hOnline* and have it on file at the Extension Office by May 1st if exhibiting at State Fair, or July 1st if exhibiting only at the county level.** It is strongly recommended that all backup dogs be registered.
- Shots as required by State Fair Officials for all 4-H Dog Project participants.

Dog Eligibility Rules

1. After once earning a blue ribbon in competition as a 4-H project dog at the fair, that same dog is no longer eligible for exhibition in that same division at any following fair except Obedience, Grad Novice, Open, Grad Open and Utility classes. For county competition, this may be subject to superintendent’s discretion.
2. A dog with any other rally or obedience title from any national dog association is disqualified from entering the class for which the degree was awarded or any lower class, except if that title was won less than four months before the fair, in which case the dog is eligible for entry in the same class. Rule #1, above, takes precedence over this rule.
3. No bitch in heat, obviously pregnant or lactating will be allowed to compete in classes at the Fair.
4. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog’s physical disability needs to be addressed between the handler and project leader before starting the project. A veterinarian or qualified veterinarian technician’s decision on doubtful cases will be accepted as final.

Exhibit Classes

1. All 4-H obedience classes will be patterned after Colorado State Fair obedience guidelines whenever possible, except that dog registry with AKC is not required.
2. Only one command can be given in obedience classes per exercise unless additional commands are appropriate to that class. Use of the dog’s name with a verbal command (Spot, sit!) can be used. If no verbal commands are used, one appropriate hand signal may be used.

C-1 Dog Obedience

NOTE: The 4-H Dog Show is a 4-H show. As such, 4-H Youth Development principles are of primary importance.

Ten points will be deducted in the obedience classes for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear.

In all Obedience classes, fouling the ring will be a 15-point deduction. The member will be allowed to finish their run.

No dog tags can be on the dog when showing in the ring. This includes name tags, rabies tags or anything else that hangs from the dog’s collar. It is very important that your dog wear tags always, except when in the show ring. See dog project manual “Dog Resource Handbook” from the Ohio State University. (Please note the difference between training equipment and show equipment.)
