

LINCOLN COUNTY 4-H FASHION REVUE

Please write a narrative (what the announcer will read as you model your outfit at the Fashion Revue), as you want it read. Some things to include might be:

Your name and 4-H club; something about your outfit and where you will wear it; some of your favorite things -- hobbies, interests, pets, activities, other 4-H projects, other organizations, you belong to, such as church, school; etc. If you had special fun or extra problems with any part of your project that you think the audience would enjoy, mention those times.

The purpose of the narrative is to let the audience know YOU!. So share something of yourself. If it is easier, your sewing group might get together and help each other write up these narratives. If you need more space, attach another sheet.

NAME: _____ UNIT: _____

Narrative: _____

Scripts will be edited to provide more uniformity in narration during the Fashion Revue.
