# 4-H SCAVENGER HUNT

## Spring Break Fun

The State 4-H Website was recently redesigned. During spring break, spend some time looking for important items you will need to complete or help with your 4-H project.

**Take a “screenshot” of each item you find on the list and put a small picture of each one in a single Word document.**

**Once completed, email to [christine.schinzel@colostate.edu](mailto:christine.schinzel@colostate.edu) with your name by Sunday, March 22, to be entered into a drawing for 4-H swag!**
